Bringing power to life

SOLAR MPPT PCU (INVERTER) 2KW TO 20 KW

MOB : 9387528599

LAND LINE : 0495-2760308

MAIL: rkunhappan@yahoo.co.in

400% load handling.

The diesel pumps needs higher cranking current as the viscosity of the same will be higher during morning especially during winter season.

0-2ms mains synchronised change-over-time ensures **jerk-free pump** operation.

Key Features

- DSP Based Digital Design
- Programmable Solar Priority Mode
- High Frequency PWM Inverter
- Sinewave output
- Multi Phase Interleaved MTPT
- User Friendly LCD+LED Display
- Intelligent Battery Charge Management
- Soft Start Facility
- Synchronous Load Transfer

SOLAR PCU

SOLAR INTEGRATED SINE WAVE OFFGRID INVERTER

PAR ENERGY SYSTEMS
CALICUT

CAN POWER ALL HEAVY LOAD AC, MOTOR ETC.

MULTIPURPOSE APPLICATION:

OFFICE, HOUSE , FACTORY, HOSPITALS ETC.
